CEO Addie Wright Thomason and Directors Jim Banks and Debra Grant host the ribbon cutting ceremony.

GRAND OPENING HELD FOR CEDAR GROVE SATELLITE OFFICE

VBCDC and Second Act Communities celebrated the Grand Opening of the Cedar Grove satellite office, located at 904 Broad Meadows Blvd in Virginia Beach, on June 2, 2015.

This satellite office will enable a full time case manager, a full time property manager, and several facilities associates to work much more closely with the communities they serve. The location at Cedar Grove is convenient to the Lake Edward, Aragona, and Bayside neighborhoods. The office is incorporated in the award-winning Cedar Grove Veterans Apartments, the first permanent housing for low-income disabled and/or homeless veterans in the state of Virginia.

Second Act Communities is a national nonprofit developer of affordable and employer-sponsored housing. VBCDC is a local nonprofit property manager providing supportive services to families in need. Together, these organizations are champions for supportive communities where everyone is empowered to live their best lives.
